

Indian College of Radiation Oncology (ICRO)
Academic Wing of
Association of Radiation Oncologists of India (AROI)

54th ICRO PG Teaching Program

24th - 25th October 2026

On

SRS/SRT/SBRT

Organising Institute

Department of Radiation Oncology,
Indira Gandhi Govt Medical College & Hospital
TCCC Shimla

This educational initiative is supported by

a SUN PHARMA division

Goals of SRS/SRT/SBRT Courses:

The primary motive of this ICRO course on SRS/SRT/SBRT, targeted at junior doctors, is to bridge the gap between emerging technical expertise and daily clinical practice. This educational initiative aims to standardize safe delivery, expand understanding of indications, and foster the adoption of new, highly accurate technologies in cancer care.

Key objectives of this ICRO session will include:

**Standardizing
safe practice**

**Building
technical
competence**

**Expanding
clinical
indications**

**Improving
QA**

**Addressing
educational
gaps**

Organising Institute

University

Atal Medical and Research University (formerly known as Himachal Pradesh University of Health Sciences) is a university at Ner Chowk, Mandi, Himachal Pradesh. The university came into existence in 2019. It is the first university in Himachal Pradesh to specialize in medicine and health sciences.

Prior to this establishment, all medical, dental, Ayurveda, homeopathy, allied and healthcare super-specialty colleges were affiliated with Himachal Pradesh University. Since 2019, the university is functioning from the Lal Bahadur Shastri Medical College campus located in Ner Chowk, District Mandi (H.P.).

College

Indira Gandhi Medical College (IGMC), Shimla, established in 1966, is a premier government medical college and hospital located in the Lakkar Bazaar area of Shimla, Himachal Pradesh.

It offers 150 MBBS seats and various postgraduate courses, and has an attached hospital with over 800 beds.

Department

The Department of Radiation Oncology at IGMC was designated as a Regional Cancer Centre in 2001 and is a premier government-run facility providing comprehensive cancer care, including radiotherapy and chemotherapy, in Himachal Pradesh.

The RCC was upgraded in October 2024 to a Tertiary Cancer Care Centre (TCCC). With this designation, the Department of Radiation Oncology has added a LINAC, a CT simulator, and a PET scan to its already functioning units of Cobalt teletherapy, iridium based brachytherapy, and a 2D simulator.
